COMPLAINT FORM FOR ZONING and CODE ISSUES

Complaint Policy: The Township is committed to enforce Township codes. Complaints to Township Authorities can have serious and possibly unintended consequences. Please consider carefully before registering complaints against fellow members of your community. In order to assist the Zoning and Code Official(s) in enforcement, we require complaints to be registered on this form.

Please identify the subject of the complaint by:

Name: _____

Address: _____

Relationship of complainant to subject: _____

Describe the complaint in detail, provide attachments if necessary:

In order to facilitate the investigation and any subsequent action we request the Complainant provide contact information. Complaints may result in proceedings that require witness testimony before the Zoning Hearing Board, the Code Enforcement Board, and /or the Pennsylvania Courts. Anyone filing a complaint must understand this possible consequence. The Township may subpoena witness to testify in the matter. Complaints registered without contact information may receive lower priority than other matters due to limited support.
