Roadmasters Report – Discussion for Slabach Rd and Chestnut Hill Culvert will be tabled till next month when there will be a full board in attendance.

Martin Church Rd. There is a stream restoration being done with Lancaster County Conservation District and Fish & Boat along the Muddy Creek at Ammon Martin's property (Red Run). Where the Muddy Creek makes a hard bend at Martin Church Rd the bank is eroding. Laverne Brubacher who is the excavator doing the work for the Conservation District asked if the township wants them to stabilize the bank in our township while he is there doing the other work. The Lancaster County Conservation District would have the work done in our township if we would be willing to contribute to the project. After some discussion, a motion was made by Long and seconded by Baum to authorize a donation of \$2500.00 toward the project. All in favor, motion approved.

At this time Andy brought the Board up to speed on the current pricing situation for a new John Deere Backhoe, which is due to be replaced in 2023.

The board reviewed the items that needed action on Michael Reinert's Engineers report and presented by Mr. Reinert.

The following items within the engineering report require Board action/approval this month:
